Have you heard the **NEWS**

"There's Good Rocking Tonight" ~

News letter for members of the Official Elvis Presley Fan Club, Elvis-Aberdeen.

Elvis Aberdeen Update

There will be some minor changes to the club from the November dance including a new door entry system. Each person entering will be required to give their name at the desk and will have their hand stamped instead of being issued with a ticket. This is primarily for two reasons, it will allow us to swap cover at the door and not have to have the same person there all night, and it will also spare us the job of having to print tickets each month.

I would also like to remind members that the November Dance will be the current committee's last, so it would be nice to see a big turnout to thank them all for their valiant efforts over the last 6 years. This will also be the last dance of the year as it was decided to have a break in December before we kick off with the new committee in January.

I can confirm that although there was some interest from members in changing the Dance night from the last Friday of each month, after investigation it was difficult to get availability of the United Services Club for other nights, so for the time being at least we will continue on the last Friday of each month, at least through 2009.

Elvis Aberdeen also has a new website address, so anyone wishing to keep up to date with the website please visit www.elvis-a-presley.com

As well as the new website address, the Fan Club contact email address is now changed to aberdeen@elvis-a-presley.com

Prestwick January 2009

A number of people have already stated an interest in going to the Dance in Prestwick on Saturday 10th January. We have therefore already organised one minibus which is almost full, however if there are others who are interested in attending please advise at the November Dance or by mid-December at the latest so that we can arrange the hire of an additional minibus. This trip will involve an overnight stay and the Club can arrange accommodation for anyone interested in going.

Final numbers must be in by December 12th.

Ally, Garry, Gary & Albert

The end of an era. This month sees the end of a 6 year period with Elvis Aberdeen being run by Ally Rose, with help from Garry Leiper, Gary Stuart & Albert Ewan.

The Club has flourished during that time and now has in excess of 130 members. Who would have thought six years ago that we would be able to meet up with fellow Elvis Fans on a regular basis in the centre of Aberdeen? It has certainly been a journey which although hard at times has been worthwhile for the many fans who now enjoy the club.

This is an opportunity now to thank Ally, Garry, Gary and Albert for their efforts over the years and to assure them that it has not gone unnoticed and has been very much appreciated.

Elvis Aberdeen would not be where it is today without the dedication of the outgoing committee and I am pleased that they will continue to contribute advice and help to the new committee.

Elvis Aberdeen has over the last six years had trips to Prestwick, Lonmay, Glasgow, (to see "Elvis – The Concert") Falkirk, Edinburgh and of course culminating in an unforgettable trip to Memphis in September 2007. In addition, Elvis Aberdeen has donated almost £11000 to charity. This is all quite a remarkable feat and the club should be very proud of where it stands today.

I can only hope that the new committee are able to continue the good work that was started with Ally, Garry, Gary & Albert but we all owe them a big thank you.

THANK YOU from Richard, Tracey, Bill, Ann & Stephen
